A MONTHLY EMAIL NEWSLETTER FROM DES MOINES'  
BIGGEST GIRLS BASKETBALL PROGRAM

JUNE 2019 | VOL. 3

## FROM THE PROGRAM DIRECTOR

Spring has flown by and we were able to play in some great events during the month of May. School is out, and summer always presents a great opportunity to get in that "extra" time at the gym. Individual development over the summer months is always a huge emphasis for CY Select girls. We encourage you to research your summer development opportunities. CY Select Wolves will be holding 2 skills camps in June. The first camp will be held on June 19 & 20, with an emphasis on skill development. The second camp, June 26 & 27, will have an emphasis on game development. Please visit: <https://www.cyselect.com/camps/> to get signed up.

## CY SELECT ACADEMIES DELIVER BASKETBALL ACROSS IOWA

CY Select Academies is a way our program offers our specific brand of basketball across the state. Our Academies are located in northern Iowa and connect those local families to our Des Moines program. For going on three years, CY Select Academies have been located in Estherville, Emmetsburg and Algona. Academies are area training centers for local players that are part of our CY Select girls program but also include area families looking to develop their children's basketball abilities. Academies also help deepen area student-athletes' commitment to personal success. We use the development of basketball ability as the platform for empowering and enhancing their aspirations, disciplines and life skills. We are excited to continue to extend our brand of basketball to new communities each year.

## NCAA LIVE EVENTS TAKING CY SELECT PLAYERS ACROSS THE MIDWEST

The CY Select Program competed in two NCAA Live Evaluation period tournaments on this spring in Ames. The NCAA Evaluation Period is a specific time of year when college coaches are allowed to watch an athlete compete in person or visit their school. Within these NCAA live events, our girls have the chance to stand out as a team but most importantly showcase their individual assets as well. We have a number of girls that have gotten regional and national attention from the likes of Dan Olson from ESPN Girls & Collegiate Girls Basketball and Mason Asher from Prep Hoops Girls and Asher Scouting. We are excited to see what the future brings for our players as the upcoming July NCAA Evaluation period from July 6th - 25th will have our CY Select 8-10th players playing 12 out of 20 days in front of college coaches. They'll be traveling from Ames to Chicago to Minneapolis and finally ending the period back in Ames. We are excited to continue to build our "Legacy" and help our players who have a strong desire to play collegiate basketball, take the next step in doing so.
